

Tutti Frutti Cell Phone Charms Tutorial

Tomato - Pumpkin - Blueberry - Orange

1. Cut your felt into a circle. This shape can be used to make tomatoes, pumpkins, blueberries, oranges, etc.

2. Sew around the outer edge of the circle.

3. Pull and tighten the thread to gather the felt. Stuff tomato with felt and fabric scraps.

4. Sew the top of the tomato together.

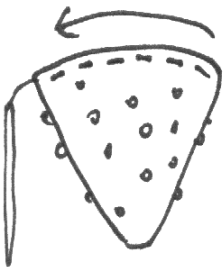

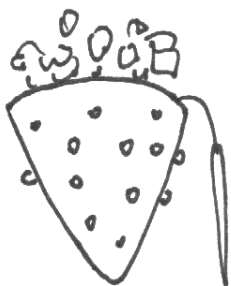

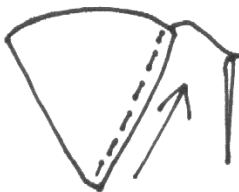

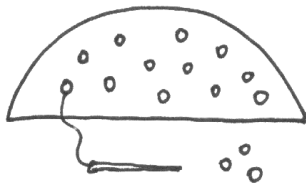

5. Cut a piece of green felt for a leaf. Sew leaf into top of tomato.

6. Add bead eyes and felt nose if desired. Sew on a cell phone strap.

Strawberry - Carrot - Beets

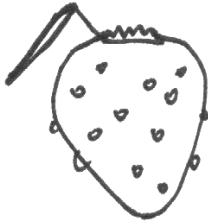

1. Cut your felt into a semi-circle or a quarter-circle. This shape can be used to make strawberries, carrots, or beets.

2. Sew on seed beads for strawberry seeds, if desired. Or you can use embroidery thread for the seeds. Skip step if you are making carrots.

3. **With the wrong side out**, fold felt in half and sew along the open edge from bottom to top.

4. Flip the felt inside out. Stuff strawberry with felt and fabric scraps.

5. Sew along upper edge of strawberry.

6. Pull and tighten the thread to close the top. Sew the top shut.

7. Cut a leaf and sew it on.

8. Sew on a cell phone strap, if desired.
